HONEY MEADOW SEASONAL CIDER

This botanical hard cider offers a bright, earthy taste of the flowering fields of spring. Lemon balm & chamomile are steeped in cider fermented from Washington organic apples and blended with organic honey. This floral nectar sips like a fine, fermented spring tea. 6.5% *abv*.

PEOPLE'S CHOICE AWARD,
Cider Rite of Spring 2014

SILVER, Great Lakes International
Cider & Perry Competition, 2013
