SOLSTICE SAFFRON SEASONAL CIDER

This botanical cider honors the dawn of spring and the returning light. Organic, local saffron offers bright color and gentle bittersweet notes, balanced with the rounded flavors of anise & fennel, with a hint of lightly lingering licorice. Pair with a range of worldly and seasonal foods, minty rice, sushi, spring salads or braised vegetables. 6.5% abv.

BRONZE, Great Lakes International
Cider & Perry Competition, 2013
